

# TESTIMONIALS

*"Ken Green is an excellent Entertainer. He is professional, entertaining, and extremely personable. Not only does he have a great voice and sound, he mixes his music with storytelling in between songs. Anyone can tell he is not only talented but loves what he does. He also takes a great interest in his audience and builds connections and relationships with them. I have been an Activity Director here at Mirage Inn, for 4 years and he is one of the few entertainers that the residents know by name and ask for him by name. I would highly recommend him to anyone who is looking for a good entertainer."*

*"Ken Green's gentle voice and friendly stage presence is a favorite at our Certified Farmers' Markets. His appeal spans the spectrum - he's made fans among vacationing retirees and passing preschoolers (who often stop to accompany him with impromptu dance performances). He's an integral part of our lineup of local talent."*

Palm Springs Certified Farmers' Market.

*"As the entertainment booker for AJ's on the Green, I've had the opportunity to book Ken on numerous occasions. Not only is he easy to work with, but his repertoire is vast, he's a delightful performer and he interacts with audiences by sharing stories and playing the music they want to hear. He's full of interesting information and lots of great music and really connects. As a performer myself, I value other performers who love what they do and want to share their love of music with the audience ..."*

*"Two years ago we had an "End-of-the-Summer" Party at our home. 45 people attended on a beautiful night outside on our deck. To add to the ambience we provided entertainment. **Ken Green played guitar and sang for over an hour.** During his performance he gave interesting history and tidbits about the songwriter or music group, whose song he was singing. He also did a lot of interplay with the guests, which they completely enjoyed. He is such a charismatic guy and his repertoire of "Head Slap" music was perfect for our group. Our friends still comment on how good Ken was and what a wonderful evening they had. We intend to have him back again."*

*"My wife Muriel and I were at your recent concert at the Tolerance Center in Rancho Mirage and really enjoyed your performance, great blend of material, anecdotes and smooth delivery -- I'll be checking the Desert Sun regularly to see where you're performing next. We're big fans!!"*
